

Careers Education, Information, Advice and Guidance

Learning opportunities available for pupils

At Dixons Kings, our mission is to ensure that all students succeed at university, or a real alternative, thrive in a top job and receive the support and care needed to become successful and lead a happy and purposeful life. Our values of diligence, integrity and civility support this mission and our language, routines and structure constantly reinforce this. In addition, our comprehensive careers plan below makes employability opportunities explicit and links closely to the Gatsby Benchmarks (GB)
