

Home Learning Schedule Cycle 3- Week 4 03.05.21

If you are self-isolating this week in Year 7-11 you should now be attending your timetabled lessons through Teams. To join a lesson, go to your Teams calendar, find the correct lesson (period), click 'join' and ensure your camera is off and your microphone is muted. At the end of every lesson, you need to email the work you completed during the lesson to your subject teacher.

If you have limited access to IT or you have been directed to complete work from SharePoint by your teacher, then please follow the steps below:

- 1) Find your year group in the table
- 2) Click on the subject to access the work
- 3) Enter your email address (username@dixonska.com) and password
- 4) Open the 'student instructions' document
- 5) Read and follow the student instructions and complete your work for that subject
- 6) When all work is complete, email direct to your subject teacher (attaching all the required documents).
- 7) Repeat the same steps for the next subject.

All SharePoint work must be directly emailed to your subject teachers by Friday 3.30pm
