Dear Families,

We are pleased to offer our Year 11 History GCSE students the chance to buy a suite of CGP GCSE revision guides at a discounted rate. These revision guides are approved by AQA and will undoubtedly help students revise for their upcoming History GCSE exams. The CGP guides are well established, accessible, and engaging for students of all ability levels. A GCSE guide is available for each of the GCSE modules, as follows:

Paper 1:

- America: Inequality and Opportunity 1920-1973
- Conflict and Tension: 1918-1939

Paper 2:

- Britain Power and the People c.1190-Present Day
- Norman England: c.1066-1100

Normally, these revision guides would cost £7.00 each if purchased at an independent retailer. We are pleased to offer them to students for a discounted rate of £3.15 each, at cost price to schools.

The History Department strongly encourage the purchase of these guides, as they are a fantastic revision resource.

**The total cost for a full suite of revision guides would be £12.60 for all four revision guides.** (£3.15 x 4).

The cost of any revision guides purchased will be issued through a chargeback on Parent Pay. We regret that we are unable to accept cash.

If any students are unable to meet the cost to purchase the CGP revision guides, please encourage your child to speak to their History teacher for a discreet discussion about this. Alternatively, parents are also encouraged to phone the school and request a call-back from a member of the History department to discuss this further.

Kindest Regards,

The History Department
