Dear Mr Richard Wilson,

Ofsted's recent inspection at Dixons Kings Academy

I wanted to write formally to congratulate you on the outcome of the recent Ofsted inspection at Dixons Kings Academy. I am delighted that the school continues to be Outstanding.

It was excellent to read in the report that leaders have extremely high expectations for pupils' behaviour and for the academic progress they will make. It was also positive to read that pupils are fully prepared for their next steps in education and speak ambitiously about their future.

I am aware of the significant amount of work that has been required to maintain such high standards at the school since the last Outstanding Ofsted judgement in January 2017. Please do pass on my sincere thanks to all of the team at the school, the Executive team and the trust board, who have worked hard to consolidate these improvements.

Yours sincerely,

Alison Wilson
