Dear Families,

RE: Face Masks in school

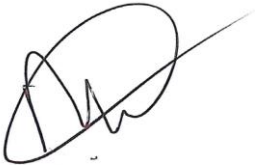

I am pleased to announce that due to falling levels of Covid 19 infections in the school population and locally we will be changing our stance on the wearing of face masks.

“Face Masks are no longer mandatory and will not need to be worn in the classroom or in the communal areas of school”

I would like to thank you for all your support over the past year with the constant changes and adherence to public guidance.

Thank you for your support and understanding in this matter.

Yours sincerely

Richard Wilson
Principal
