

March 2022

Dear Families

The year 11 examinations will take place over two weeks; weeks commencing 21 March and 28 March. The timetable for the duration of the two weeks is below.

I am sure you will appreciate the examinations are very important and your child must do their utmost to be ready for these. Subject teachers will inform students of the content which needs to be revised as well as sharing different resources and methods for revision. I would also strongly encourage all students to discuss, with their teachers, any areas of work or revision that they need support with or are struggling to understand.

During this time, your child will also gain knowledge and understanding of the examination process in preparation for their exams in the Summer. Your child will be briefed on the expectations for the examinations and it is imperative that these are followed, failure to do so may result in disqualification. Parents will be notified when examinations are due to finish after the normal finishing time. On this note, parents must check with their child if they are eligible for extra time due to the finishing times being later.

When your child does not have an exam they will attend their normal timetabled lesson.

I wish all our students the best of luck and should you have any queries or concerns, please do not hesitate to contact me.

Yours Sincerely,

Mrs Mir  
Vice Principal
