

April 2022

Dear Families

With the increasing emphasis being placed on public examinations through the GCSE system, we are keen to ensure that your child is prepared in the best possible way throughout every year during their time at Dixons Kings Academy.

As a result, your child will complete Cycle 3 written assessments commencing 23 June until 29 June. As I am sure you will appreciate, the examinations are extremely important as they will show your child, yourselves and the academy their progress and attainment throughout the year. Although the academy has been preparing your child for these assessments in school, we are particularly keen to have your support during your child's preparation and throughout the exam period itself.

Please see below for your child's assessment dates and times:

Date	Assessment
Thursday 23 June	Science
Friday 24 June	English
Monday 27 June	Spanish
Tuesday 28 June	Maths
Tuesday 28 June	History
Wednesday 29 June	Maths
Wednesday 29 June	Geography

All the exams outlined above will be sat under formal conditions in the Sports Hall. When your child does not have an exam, they will attend their normal timetabled lesson. Attendance and punctuality are key in ensuring a successful exam series for your child. Students will also be sitting exams in other subjects during this period, but some will take place in classrooms. Exam results for all subjects will be shared with you following our usual reporting process.

Your child should work independently at home. Revising and managing a workload are key skills that your child will need to succeed at university or a real alternative, thrive in a top job and lead a happy and successful life. Key activities that your child should be doing when revising are:

- Self-quizzing – regularly testing against specific topics
- Completing past paper questions
- Chunking revision – spending a maximum of 45 minutes on any topic

Below is a list of ways that you can help your child during the run up and during the exam season:

- Help them organise a quiet area in which to revise
- Test them on key facts or figures
- Ask them to teach you different topics so that you can check their understanding
- Ensure they are well rested the day before the exam and have plenty of sleep
- Ensure they have a good breakfast on the morning of the assessment
- Ensure they have all the equipment needed for school
- Ask them to bring a clear water bottle with water in it
- Ask them how their exams went, take an interest and help keep them calm.

If you have any questions regarding these assessments, please do not hesitate to contact your child's Head of Year or myself directly. Thank you in advance for your support.

Yours sincerely

Munaza Mir
Vice Principal
